■ Présentation générale et mode d'emploi	1
Nature des épreuves orales aux concours scientifiques.....	2
Nature des épreuves orales aux concours commerciaux.....	3
Conseils méthodologiques.....	4
Grille d'évaluation.....	7
Erreurs à éviter.....	8
Pense-bête grammatical.....	15
Kit de survie.....	16
Quelques questions à anticiper.....	20
Parler à partir de notes.....	21
■ Chapter 1 : Technologies	23
Unit 1 : Addictions	24
Texte 1. Social media addiction.....	26
Texte 2. The Facebook effect? Social media exposure increases smoking and drinking among teens.....	31
Unit 2 : Virtual world, real threat	33
Texte 1. French watchdog slams planned mega-database of citizens' biometric data.....	35
Texte 2. Mattel, Viacom, Hasbro accused of tracking kids' online behavior.....	40
Unit 3 : Robots and automation	42
Texte 1. Rise of the robots: how long do we have until they take our jobs?.....	44
Texte 2. Are self-guided cars going to drive the next wave of unemployment?.....	49
Unit 4 : Inventions	51
Texte 1. As hobby drone use increases, so do concerns about privacy, security.....	53
Texte 2. How 3D printing is set to shake up manufacturing supply chains.....	58
■ Chapter 2 : Work	61
Unit 1 : Child labour	62
Texte 1. Banning child labour imposes naive western ideals on complex problems.....	64
Texte 2. Child labour falls by one third to 168 million, says ILO.....	69
Unit 2 : Working conditions	71
Texte 1. Stressful workplaces, shorter lives.....	73
Texte 2. The real reason the French work less than Americans do.....	78
Unit 3 : New work patterns	80
Texte 1. Will globalisation take away your job?.....	82
Texte 2. Uberworld.....	87
Unit 4 : Recruitment	89
Texte 1. Some UK companies are removing job candidates' names.....	91
Texte 2. Instead of leaving a job, why not take a pause?.....	96

■ Chapter 3 : Women	99
Unit 1 : Working women	100
Texte 1. You can be a mum and have a career - here's how	102
Texte 2. Men do more at home but not as much as they think	107
Unit 2 : Gender gap	109
Texte 1. Gender equality: why women are still held back	111
Texte 2. Five reasons men are (finally) closing the life expectancy gap	116
Unit 3 : Raising children	118
Texte 1. Why it's unfair to ban commercial surrogacy	120
Texte 2. China ends one-child policy after 35 years	125
Unit 4 : Women wanted	127
Texte 1. Japan wants more women to work—but what do women get in return?	129
Texte 2. Why we need more female engineers	134
■ Chapter 4 : Travelling	137
Unit 1 : Immigration	138
Texte 1. We must not respond to the refugee crisis with fear and ignorance	140
Texte 2. Donald Trump's plan to build a solar border wall, explained with math	145
Unit 2 : Gap year	147
Texte 1. Forget gap years. All young Americans should complete civil service	149
Texte 2. A student's plea to Brexit negotiators: keep the Erasmus scheme	154
Unit 3 : Discrimination	156
Texte 1. My life as a highly skilled immigrant	158
Texte 2. No racial barriers left to break (except all of them)	163
Unit 4 : Life in outer space	165
Texte 1. SpaceX plans to send 2 tourists around moon in 2018	167
Texte 2. Trump's call for human space exploration is hugely wasteful	172
■ Chapter 5 : Economy	175
Unit 1 : Brexit	176
Texte 1. Time to celebrate: Britain is thriving and its best days lie ahead	178
Texte 2. More than 7m Britons now in precarious employment	183
Unit 2 : Money brings happiness	185
Texte 1. A basic income could be the best way to tackle inequality	187
Texte 2. Should happiness be an economic priority?	192
Unit 3 : Famine and poverty	194
Texte 1. We could end famine if we cut food waste by a quarter – so why don't we?	196
Texte 2. The rich live longer everywhere. For the poor, geography matters	201
Unit 4 : Wasted money	203
Texte 1. Why cities don't want to host the Olympic Games anymore	205
Texte 2. You're consuming too much – how to stop before it consumes you too	210

■ Chapter 6 : Health	213
Unit 1 : Smoking	214
Texte 1. Legalisation of cannabis ‘only solution to crime and addiction problems’.....	216
Texte 2. Is vaping harmful and are e-cigs safer than normal tobacco?.....	221
Unit 2 : Eating disorders	223
Texte 1. NHS to show parents how fat their child will become under ‘shock tactics’ to fight obesity.....	225
Texte 2. Here’s an incentive that makes people exercise more.....	230
Unit 3 : Food issues	232
Texte 1. Genetically modified rice could withstand the ravages of climate change.....	234
Texte 2. Energy drinks, mental health problems, drug and alcohol abuse.....	239
Unit 4 : Living longer and better	241
Texte 1. Do you want to live to 120?.....	243
Texte 2. Smart children more likely to live longer and stay disease free.....	248
■ Chapter 7 : Youth	251
Unit 1 : New generation	252
Texte 1. Who are Generation Z? The latest data on today’s teens.....	254
Texte 2. Millennials aren’t lazy snowflakes.....	259
Unit 2 : Youths and politics	261
Texte 1. Why the voting age should be lowered to 16.....	263
Texte 2. The young and their democratic rights.....	268
Unit 3 : Vulnerable youths	270
Texte 1. Are curfews effective when keeping teens out of trouble?.....	272
Texte 2. Students abusing drugs to improve performance.....	277
Unit 4 : Family relationships	279
Texte 1. Have we raised a generation of spoiled brats?.....	281
Texte 2. The boomerang kids won’t leave.....	286
■ Chapter 8 : Environment	289
Unit 1 : Pollution	290
Texte 1. London mayor issues emergency air quality alert amid heatwave.....	292
Texte 2. Smog refugees flee Chinese cities as “airpocalypse” blights 500 million.....	297
Unit 2 : Climate change	299
Texte 1. By 2100, deadly heat may threaten majority of humankind.....	301
Texte 2. China calls US ‘selfish’ after Trump seeks to bring back coal.....	306
Unit 3 : Green solutions	308
Texte 1. Plastic bag charge backed by English public.....	310
Texte 2. How sustainable brands are turning their backs on fast fashion trend.....	315
Unit 4 : Impacts	317
Texte 1. Is climate change affecting mass migration?.....	319
Texte 2. Trump’s withdrawal from the Paris climate agreement could be disastrous for the economy.....	324

■ Chapter 9 : Education	327
Unit 1 : Education and work	328
Texte 1. Schools are teaching our children to be redundant	330
Texte 2. Graduates face bleak pay prospect	335
Unit 2 : Education gap	337
Texte 1. Children from poorer areas make two years' less progress at school	339
Texte 2. Duolingo's Luis Von Ahn on how the language app added Africa to the mix	344
Unit 3 : Teaching methods	346
Texte 1. Teaching is not a business	348
Texte 2. Stressed teachers are becoming reliant on caffeine, alcohol and prescription drugs, poll suggests	353
Unit 4 : Learning	355
Texte 1. Is online learning the future of education?	357
Texte 2. Lifelong learning is becoming an economic imperative	362
■ Chapter 10 : Security/violence	365
Unit 1 : Road safety	366
Texte 1. Most night-time crashes with teen drivers happen before midnight, recent study says	368
Texte 2. Tesla driver's death on 'Autopilot' triggers safety debate	373
Unit 2 : Media violence	375
Texte 1. Does media violence lead to the real thing?	377
Texte 2. How the internet has changed bullying	382
Unit 3 : The death penalty	384
Texte 1. In the US, the death penalty has now become a way of life - is there any hope?	386
Texte 2. Hillary Clinton: death penalty used 'too frequently' in the US	391
Unit 4 : Arms and conflicts	393
Texte 1. Why can't American lawmakers pass gun control?	395
Texte 2. North Korea's nuclear arms sustain drive for 'final victory'	400
